

CABO-OUTFITTERS

The ARCH & LOVER'S BEACH

Half Day Kayaking & Snorkeling

Duration: Approximately 3 ½ hours

Available Year Round

DESCRIPTION

Kayak out to the Arch, in the bay of Cabo San Lucas, past the sea lion colony and around Land's End into the Pacific. Land at Lover's Beach with its massive granite rock formations, where you can snorkel out to Neptune's Finger or around Pelican Rock, then explore the caves, cliffs and pacific side of this unique beach.

This is a great way to explore where the Sea of Cortez meets the Pacific Ocean – Land's End!
